REMARKS

Applicants have amended the specification in order to conform the description of the figures in the specification to the formal drawings, which are being submitted concurrently herewith. These amendments have been necessitated by the current Patent Office regulations regarding formal drawings and by the proposed drawing correction filed on August 25, 1997, which has been approved by the Examiner. Applicants respectfully submit that none of the above-noted amendments encompasses new matter. Applicants respectfully request entry of the amendments contained in this paper.

Respectfully submitted,

Date December 5, 1997
